### **Business review**

The total sales volume and processing volume of the stainless steel processing services of the Group for the period from 1 July 2021 to 30 September 2021 amounted to 458,959 tonnes and 709,061 tonnes respectively representing a decrease of approximately 9.2% and 5.0% respectively as compared with the same period last year.

The total sales volume and processing volume of the carbon steel processing services of the Group for the period from 1 July 2021 to 30 September 2021 amounted to 808,889 tonnes and 899,480 tonnes respectively representing an increase of approximately 21.2% and 6.6% respectively as compared with the same period last year.

Revenue from our manufacturing business amounted to approximately RMB277.4 million for the three months ended 30 September 2021 representing a decrease of approximately 28.1% as compared with the same period last year.

The Group recorded an unaudited net profit of approximately RMB660.9 million for the nine months ended 30 September 2021. Comparing with a net profit of approximately RMB237.0 million for the nine months ended 30 September 2020, the net profit increased approximately 178.9% mainly due to the improvement in operating efficiency and contribution from our project business and in-depth processing services during the period.

The above operating information is unaudited and is based on preliminary internal information of the Group, which may differ from the figures to be disclosed in the audited or unaudited consolidated financial statements to be published by the Company on an annual or half-yearly basis due to various uncertainties during the process of collating such information. As such, the above information is provided for investors' reference only. Investors are advised to exercise caution and not to place undue reliance on such information when dealing in the securities of the Company. When in doubt, investors are advised to seek professional advice from professional or financial advisers.
