PROPOSAL TO RESTORE PUBLIC FLOAT

As disclosed in the announcement of the Company dated 31 July 2023 (“**July 2023 Announcement**”), Ally Good, the controlling shareholder of the Company, has indicated to the Company that a potential investor, which is an independent third party, has been in preliminary contact with Ally Good for the purchase of a small portion of the existing Shares held by it.

As disclosed in the July 2023 Announcement, the Company is currently exploring the possibility of a potential subscription of new Shares by an independent third party (“**Potential Investor**”). The Potential Investor has completed its financial due diligence against the Group in late August 2023 and it is currently evaluating and considering whether it will subscribe for new Shares. As at the date of this announcement, no concrete offer for subscription of Shares has been received from the Potential Investor.

The Company is considering other feasible proposal(s) to restore the public float of the Company to the Minimum Prescribed Percentage, including but not limited to issue of additional new Shares. The Company will continue to publish announcement(s) on a regular basis to update its Shareholders and potential investors on the status of the public float and the measures that may be introduced by the Company to restore its public float as soon as practicable.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the Shares.
